

28 C's Kelvin		
Desert 215k with around 5000 feet of climbing		
Warning - There are about 20 miles of dirt road on this route including a fairly steep 5 mile grade that holds 7% and above all the way up. It is highly recommended to have 28C or above tires as the name suggests. Also it is highly recommended to carry 75-100oz of water as this route spends about 50 miles in the middle of nowhere. Plan on carrying 4 hours or more of food and water.
