Route Description: This ride starts and ends at the Cameron Trading Post in Cameron, AZ (about an hour’s drive north of Flagstaff) at approx. 4200 ft. The route climbs from the Little Colorado River east into Grand Canyon National Park and continues to roll along the South Rim between 7400 and 6600 feet elevation to the turnaround at Hermit’s Rest Visitor Center. Climbing is approx. 8500 ft on mainly low-traffic secondary highways. It is advised to ride cautiously in these areas and near all overlooks.

Precautions: Northern Arizona weather conditions are variable so it is advised riders check current weather hazards and local forecast before committing to a ride date – see links below. The South Rim area winters can be harsh or have mild stretches so this ride is available year round. Monsoon season (typically July and August) can bring torrential downpours and lightning storms. High wind advisories are always possible.

You will need receipts from the **start and the finish** – the time imprint on each receipt is your verification or “control” (it is okay to have store receipts which show times a few minutes off from the official start/finish times).

Services: No services exist in the mostly uphill 33-mile section between Controls 1 and 2. Many services exist in the vicinity of the Grand Canyon Visitor Center and Grand Canyon Village. However, due to altitude and potential of hot weather, it is advised to carry plenty of water at all times.

Control Procedures: Stores and establishments at the start/finish will be used to acquire proof of passage. Store receipts are preferred and will be needed to show the time and date of passage. Each control has an opening and closing time. To get ride credit you must stay within these times, which are based upon the starting time and date you chose. You can ride this permanent alone or in a group; if you are with a group that stays together the entire way, then only one receipt is need for the group at each control (but everyone should mark their own cards with the time – carry a pen.) If the riders split up, they then need to get their own receipts. Tandem teams obviously only need one receipt for their team, not for each rider.

Paperwork: Within 10 days after the ride, return your completed brevet card and receipts to the ride owner/organizer. Sign the back of the card and make sure all the times are recorded on the card for each control.

Put all the receipts, your card, and any fee into a stamped envelope and mail it to:

Regulations: During your ride, all the normal rules of randonneuring apply. Go to the RUSA web site <http://www.rusa.org/> to familiarize yourself with the regulations if this type of cycling is new to you. You **must** begin your ride at the time you selected, and any secret control opening and closing times will be based upon that start time. If you are riding at night, be sure you have all the required lights and safety gear outlined in the regulations; anyone found to be riding at night without them will be automatically disqualified.

If you should fail to start, or end the ride prematurely, please contact the ride organizer as soon as is practical. We have RUSA matters to attend to whether or not you finish the ride successfully. Please be considerate and not endanger your future participation in future permanents by overlooking this essential detail. Thanks in advance for your cooperation.
